PROPERTY INFORMATION

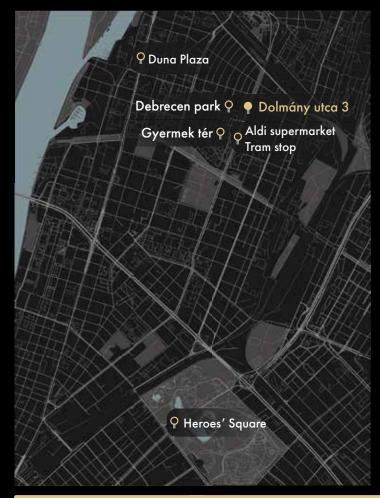

DOLMÁNY ST. 3

The residential complex project at 3 Dolmány Street in Budapest comprises 19 high-comfort apartments and a commercial premises on the ground floor.

Key Advantages:

- Excellent location, close to social and commercial infrastructure.
- Unique features on the Budapest real estate market.
- Possibility of customized interior layouts.

LOCATION

The residential complex is situated in a peaceful neighborhood with excellent infrastructure, yet still close to the city center:

- Heroes' Square (Hősök tere) 14 minutes by public transport
- Aldi supermarket 4 minutes on foot
- Duna Plaza 7 minutes by public transport
- Tram stop 3 minutes on foot

Additionally, several schools, a pharmacy, a large park with sports facilities and a dogwalking area, as well as multiple green spaces, are all within walking distance—making this neighborhood ideal for family life.
